I have not heard anything, but I will check again. We are OK for this San Jacinto meeting. I'll lean on my management. Do you have time to check with Mike and Hank, too? I'll keep you posted.

Yikes, Did we get this straightened out? I've heard nothing, but I have also been away.

Hi, Donn...I'm ready to get this completed and to the Ms. Reeves. There was discussion among my management and Mike Pheeny and Hank Thompson about getting funding to increase the EL on 008 and that we might have to delay work. You may already have spoken with them about this. I think that's worked out, but I decided to hold off on this to avoid any confusion. We have plenty of time.

Lorraine, we will discuss more when we're back in the office... Actually you could send it back completed to them sooner to reserve space for whatever Date we settle on. This is the same as you did for the prior meetings there at the Center.

I will be out with a lot of Leave.

Donn,

Please see attachment for the contract we spoke about. As of right now I have you down for January 29, 2014 or February 5, 2014. I will speak to Julie and see if January 30, 2014 or February 6, 2014 is available. We will let you know ASAP. If you will leave the dates blank we can fill them out once I find out if we can get you the dates you prefer.

Thanks so much,
Debbie Reeves
